

Convenient and secure:

Your home and auto insurance policies now delivered by epost™

Serving you better

At Aviva*, we believe you should have a choice when it comes to how you'd like to receive your home and automobile insurance policies.** That's why we've partnered with epost,™ the safe, secure and free way to receive, manage and store your bills and statements online.

Access your policy anytime, anywhere, on any device, and be confident knowing it will be delivered securely to your personal epost account.

Security and privacy

As the trusted provider of Canadian mail services, Canada Post is committed to ensuring the security and privacy of the documents it delivers through epost. Your epost account is secured by advanced encryption technology to protect your personal information. You can be confident that:

- epost user information is protected with bank-grade security.
- Data sent through epost is encrypted.
- Digital mail delivered through epost is considered legal mail, as governed by the Canada Post Act.
- Every document delivered through epost bears an Electronic Postmark™ to verify it hasn't been compromised during processing or delivery.
- All epost data is stored within Canada, on Canadian servers, and is therefore not subject to any foreign policy laws.
